

Lathea Morris Speaking Topic Outline

Smart Credit Moves Can Take Your Credit Score to The Next Level!

Personal finance and credit issues create stress for many individuals. They are stressing from too much credit card debt, variable rate mortgages that have adjusted, rising health care costs, struggling to put money away for retirement and the list goes on. Individuals at all salary levels that are smart, competent and accomplished, find themselves challenged when it comes to personal finance.

Seminar attendees will leave our presentation equipped with pragmatic tools needed to help them make better personal finance and credit choices. As a result, they will feel less stress and more in control of their financial lives.

What attendees will learn:

- Why your credit score is one of the most important assets you own
- How to protect your credit score
- Strategies for managing credit
- What's new in the world of credit that smart consumers need to know

This topic can be delivered as a 60 minute Lunch n Learn and up to a 90 minute seminar.

Onsite handouts will be available. Can also be delivered as a teleseminar/webinar; if teleseminar, attendees will receive an MP3 download.
